**Dr. Haumann** joins Altesa's board with 30 years of industry experience and expertise serving in senior leadership roles in large pharma and biotech companies in the U.S. and U.K. For the past 15 years, he has served as Chief Medical Officer in both privately and publicly listed companies in the U.S. and U.K. including Circassia, Theravance Biopharma, ReViral, and then most recently as CEO of RIGImmune.

Dr. Haumann earlier spent 15 years at GSK in a variety of executive roles spanning early drug discovery to clinical development and commercialization, including anti-infectives, immunology and respiratory products.

Dr. Haumann has also served as a Board member on a number of biotech companies including Autifony, Reacta, Aimmune, Aravax and Leyden Laboratories, and is an Operating Partner at SV Health Investors in London.
